

Our summer learning camps for kids are supported in part by:

MONTANA LEARNING CENTER

at Canyon Ferry Lake

The Montana Learning Center at Canyon Ferry Lake offers camps for students entering grades 1-12. Camp staff are certified teachers, many of whom are award-winning. The student to staff ratio is 1:8. Instructors and counselors are CPR & First Aid certified.

Our camps create fun, meaningful memories and skills your child will build on for the rest of his or her life.

For full camp descriptions, scholarship information and registration, visit our website at www.montanalearning.org.

Yellowstone Expedition

Extreme Yellowstone Expedition Camp is a five-day, overnight camp for students entering **grades 7-10**. Camp dates are August 2nd – 6th with students arriving and leaving in the afternoon. The American Explorers Basecamp in Paradise Valley will be the hub for lodging. Science excursions include trips to Geyser Basin, Yellowstone Falls, and Lamar Valley.

Cost: \$1,000. Includes lodging, meals, high-ropes course, and whitewater rafting.

Dinosaur Camp

We are partnering with The Carter County Museum in Ekalaka, MT for a unique camping experience. This adventure, for students entering **grades 7-10**, includes three days of field expeditions to active dig sites in the Hell Creek Formation. In addition to fossil digs, campers will tour Carter County museum, sort material collected in the field, and learn the basics of fossil preparation. August 16th – 21st.

Cost: \$1,000. Includes lodging, meals, and program fees.

Explore the Universe

Using state-of-the-art telescopes and cameras to image the night sky, campers will gain astronomical knowledge and enhance their observing skills. They will develop a plan to continue exploring space, the final frontier. This five-day, overnight camp is for students entering the **9th - 12th grades** and is from July 19th – 23rd.

Cost: \$750. Includes lodging, meals, and activities.
