

Worksheet for Supersize goes to the Artist

All work is done on graph paper.

Task 1

Graph the following points on the coordinate plane.

- A (2,2)
- B (2,7)
- C (6,7)
- D (6,2)
- E (4,10)

Connect all points to form segments AD,DC,CE,AB,BC and EB.

Task 2

Use graph paper to construct the rectangle.

Task 3

The above letter H is used to be drawn on the coordinate plane. Give the coordinates and label drawing. With a new colored pencil enlarge the H by a factor of 1.5
